## Old Business

- Saturday, May 21st, 2016, Discover Aviation Day at Lorain County Airport, looking for static displays for booth and flying in designated area. Scavenger hunt for kids... Possible hanger for display.
- Looking at June 18th for night flight, fly in the dark followed by movie night, and camping. Electrics only!!! Looking into Alcohol privileges.
- Saturday, June 25th, 2016 between 1:00pm and 2:30pm, Elyria Public Library Program, Neil Mabrouk is looking for volunteer pilots to help teach the children about flying and the hobby. For example: buddy boxes and simulators.... Possible cook out afterwards!
- Sunday, August 14th, 2016 is still the tentative date for Model Mania. Open to all flyers!!!

## New Business

- Possible RC demonstration at Pioneer Ridge in North Ridgeville. Club is pursuing donations from event and new members.
- Marlin Linger from the CC-Stars! Program has ask LCRC to host an introductory flying event for college students. LCRC likes the idea but must find a way to follow the rules to host the event.
- Novice Thursday, still needs to be finalized. Once weather breaks scheduling will be finalized.
- T-shirts still available, get them while supplies last.
