Volume 31 Number 2

February 2004

## Welcome to Winter!

## Hope everybody had a great holiday season!

- **Minutes**
- **Financial report**
- **Calendar dates**
- ***Builders corner***

Excellent news! The flying field has been paid for through the next year.

We have a multi year lease with Sherry Crawford, with an extension option. Also Sherry will be planting a Christmas tree farm, so please be careful of these trees on your way into the parking area. If anyone sees anything suspicious, or intrudes, please contact any club officer. This will include ATVs, fishing etc... Thanks for your help!

I apologize for there not being a January newsletter. I am still figuring out how to get it out to everyone! Please be patient, I think I have it down now!

## Membership Update

Per Yvette we have 2 new members, Ted Kolozsvary and Ted Domine. At this current time we also have had 47 members renew. Remember, February is the last month to renew with out being charged a \$10.00 late fee. Make all checks and money orders out to LCRC.

---

# Minutes

The meeting was called to order on 04Jan04 at 1340 hours.

There were no minutes from the December meeting read.

Old Business: Everyone who was to be reimbursed has been. We own a coffee pot now. Stones are looking good at the field.

New Business: List of improvements

- A shelter
- expanded parking area
- Put the runway back to it's original size.

The shelter will cost approximately \$2000.00. We were considering a pole barn or a carport type structure. We are not allowed to have any permanent structures. We would like to build this at the south side of the field. The parking lot extension will be about \$1500.00. The field improvements will cost roughly \$500.00.

We are also thinking about a gate upgrade. We will need to speak with Sherry Crawford on this, as she will be using it also.

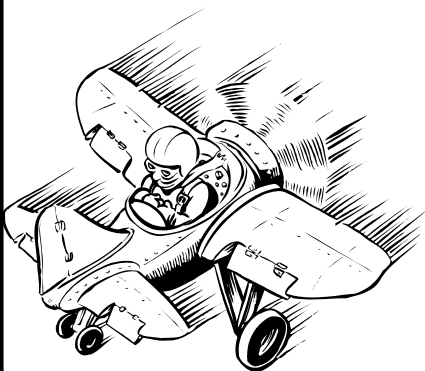

Last year we had 137 members. So far about 85 have renewed.

---

## Builder' Corner

Mark and I have finished cleaning up the work room. Shelves are up and filled, tools organized. It's a beautiful sight. Up on the work bench right now is an Ultra Stick. (the yellow one with red and blue trim) The engine he chose for it is a Satio FA100(17.1cc) ringed 4-stroke. This is a pretty engine! Can't wait to see it fly!!

If anyone wants their project here , just let me know.

Looking for a used Futaba T6EXA Radio System. Please call 440-984-3670, ask for John. Or leave a message and I will get back with you.

Report Of 01/04/04

Beginning Balance	\$1716.64
Less Expenses	
• 1438 Y. Calvert, Membership	\$12.50
• 1435 Y. Calvert, Membership	\$62.25
• 1436 R. Brassel, Christmas Meeting	\$429.15

Year End	\$3038.59

Here are some of the ideas for the upcoming year.

#### Model Tours

- Lorain County Fair
- Local Mall
- Display booths at R/C shows

#### Model Mania

- August 8, 2004. Rain date August 15, 2004.
- Fun Fly's on week day evenings.

#### Fly In/Scale any size

- June 20,2004
- AMA sanctioned
- 10.00 Landing fee
- Concessions Stand

#### Flight Instruction

- Tuesday and Thursday nights
- We need volunteers for this.

#### Holiday Party

- November or December

We also need volunteers for the field mowing.

- John Pandey has the mower in storage
