Volume 31 Number 5

May 2004

I hope everyone had a good month. There was the Toledo show, Easter, and some pretty nice days to be outside. With any luck, May's weather will be warmer and drier.

- *Minutes*
- *Financial Report*

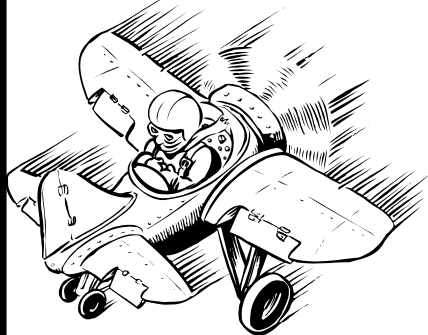

We have an ongoing request for people to mow the field. I understand it takes about 3 hours to complete. On our web site, you can e-mail any of the officers the dates and times you are able to mow. We are trying to keep it from being the same people every time.

Also, on the website, are back issues of the newsletters, beginning with August of 2002. All the newsletters from this year will be posted as well.

Financial Report

Beginning Balance	\$6077.05
Less Expenses	
• 1441 Y. Calvert, Membership	\$54.90
• 1442 Cancelled	
• 1443 AMA Charter Insurance	\$90.00

• 2004 Field Maintenance	To Be Determined
• Port-A-Pottie	To Be Determined
Total Reserves	\$1984.50
Net Operating Funds	\$5198.60

Mark and I had an excellent time at the Toledo Show. I won a Sailplane! That was exciting! We also made it to the E-TOC. It was held on campus at Toledo University, in a very Warm Gymnasium. Flyers of that event were some of the top names in the hobby, including Jason Shulman, Chip Hyde, and Quique Somenzini. During one of the breaks a foam jet ended up in the rafters. Frank Noll did his best to get it down from there, but with no success. For more on that event go to rcuniverse.com.

The meeting was called to order on April 18, 2004 by President Bob Brassell at 1:31pm
The minutes from the March meeting were read and accepted. The Treasury report was read and accepted.

We are now up to 117 members. Our newest member is Jerry Naylor. Welcome!

Safety report: We have new barricades. The flight training will begin Mid-May on Wednesday nights, and Saturday afternoon, with Bill Tracy. Bob Brassell says he will be up at the field on Wednesday nights also. If anyone else wishes to help teach, contact one of the officers.

Field Stuff: The port-a-potty will arrive in May. This years placement will be 40 feet north of the barn. Travis has agreed to mow in April and May. One person brought up the possibility of having the Boy Scouts of America come out and earn some merit badges. But we would rather have members of the club mow the field. Steve's son has agreed to roll the field so as we give the go ahead! Thanks to Steve and his Son! We are still discussing the shelter on the field issue. We will come to a decision at the May meeting.

Events: The may meeting will be at the Nordson Depot.
At the June meeting there will be a tailgate swap meet. It will also be an open fly day, so come prepared for FUN!

Scale Fly-in is June 20th. The model Mania will be on August 8th. Last year the PA system was provided by Jim Suchy. Everyone appreciated that.

Old Business : None

New Business: None

Raffle: John S. Won the Super tiger Engine .40size

Meeting adjourned at 1:58pm
