Volume 31 Number 6

June 2004

Spring is definitely here! The weather is warmer, and the skies are sunnier! The Field looks good. Thank you to Travis for mowing it every week.

- *Minutes*
- *Financial Report*

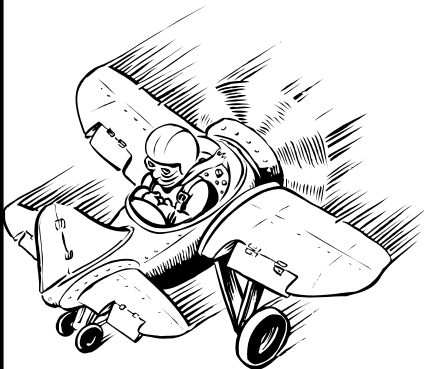

We have an ongoing request for people to mow the field. I understand it takes about 3 hours to complete. On our web site, you can e-mail any of the officers the dates and times you are able to mow. We are trying to keep it from being the same people every time.

Also, on the website, are back issues of the newsletters, beginning with August of 2002. All the newsletters from this year are posted as well.

Financial Report

Beginning Balance	\$7183.15
Less Expenses	
• 145 R. Pandy for Kit	\$50.00
• 1446 Daniels' Hobbies for Engine	\$69.49

Total Expenses	\$231.84
Plus Receipts	
• 81465 Y. Calvert Membership	\$975.00
Total Receipts	\$975.00
Gross Balance	\$7926.31
Less Reserves	
• 2005 Field Lease	\$1984.50
• 2004 Field Maintance	TBA
• Port-A-Pottie	\$490.00
Total Reserves	\$2474.50
Net Operating Funds	\$5451.81

Mark is almost done with the Ultra Stick. He just needs to complete the innards. We went up to the field on Monday, May 10, for the Maiden flight on the Next star, and to trim the Kadet .40, unfortunately there was way to much wind to put up anything. Maybe this week end will be better!

Here are the Minutes from the May 2, 2004 meeting.

The meeting was brought to order at 1:37pm by President Bob Brassell.

The minutes were read and accepted. Tony Orvac read the Treasury report, it was also accepted.

The field was rolled by Steve's son. Thank you to both.

There were plane hold-downs built onto some of the cable reels for a better work surface.

The new barricades are up. There was no safety report, or membership update.

We still need people to mow the field. You can use our equipment or your own. We are trying to avoid hiring some one to do this. This is the biggest problem every year is finding people to mow.

The port a pottie was installed on May 3 2004, 40ft. North of the barn.

We still need to make a final decision on the field shelter. Since only 18 people were at the meeting, and we did not have pictures of the structures in question, we will decide at the June meeting, which will be held at the field. We want the structure up before the Scale Fly in.

Up Coming Events:

June 6, 2004– First meeting at the field, there will also be a tail gate swap shop. This will start at 12pm and pause for the meeting. It will resume afterwards. It will also be a fun fly day.

June 20th– Scale Fly in. Any size scale will be admitted. We have 3 volunteers for the concession stand, Rich Pandy, Mr. Cole and Mr. Slivka. If any one would like to help out there **DO NOT HESITATE TO LET SOMEONE KNOW!!!** The Transmitter impound booth will be ran by Amanda Davis, and 1 or 2 other volunteers. We will make final decisions at the June Meeting, please plan to attend. Also, bring a chair or something to sit on.

August 8 Will be Model Mania, with a rain date the following week. We will have the same set up then. We will have a sign up ahead of time, set up a matrix registration, 2 combat flights if there are enough participants, and the Candy drop if Bill Tracy still has the airplane.

No other new business, nor any other old business. The 50/50 raffle was won by Jim Sanders, appx. \$25.00. Year End prize is a Zenoha 26.

The meeting adjourned at 2:08pm
