Volume 31 Number 6

June 2004

We have had a busy month! The club has bought a new lawn mower, and found someone to use it!! Cheri Crawford has agreed to do this. Thank you Cheri.

- *Minutes*
- *Financial Report*

Also, on the way is our new shelter. Can't wait to see what it looks like!

We had a beautiful day Sunday, June 20th for the scale fly in. Very little wind, big puffy clouds, and a warm sun. Temperature hit about 75 degrees.

The club would like to thank every one who helped out at the Scale Fly In event. Also many thanks to the pilots, and spectators that helped make the event fun for every one. We had 14 pilots, and roughly 60 spectators. My understanding is, most of the hot dogs we sold as well as the rest of the refreshments.

We had 9 people come up for flight training sessions with Bob Brassell and Bill Tracy. Some from as far out as Geauga County! They were people inquiring about joining the Club also. Very Exciting!

Dean Keplar gave a very enthusiastic helicopter demonstration about mid day. Thank you Dean, the crowd really got a kick out of that!

The Concession stand brought in approximately \$182.75. The Raffle \$154.00. For Landing fees, \$70.00. That is roughly 406.75, the final count will be in by the July club meeting.

The raffle was won by Art Temple. He was one of the people in line for a training session, but had to leave before his turn. He did mention that he would try to stop out on a Saturday afternoon to take his turn. The raffle prize was a Spitfire kit.

Thanks again everyone!

---

## Financial Report

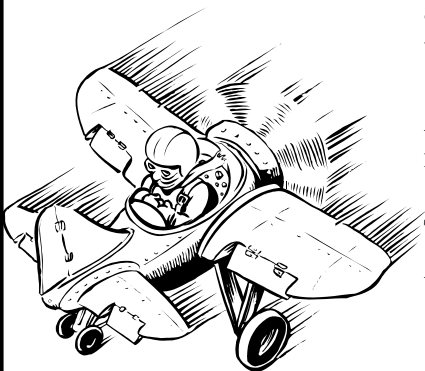

Beginning Balance	\$7926.31
Less Expenses	
• 1449 Travis Tracy Mowing	\$250.00
• 1450 R. Pandy, Raffle prize	\$362.98

Just a note,

If anyone has anything they want to buy, sell, or trade, let me know. My e-mail address and home phone number are listed on the newsletter, or go to the Club's website, and you can e-mail me from there.

Also, if anyone has any stories or jokes they want to share in the newsletter, e-mail that too!

Thanks,  
Amanda

## Minutes of the June Meeting

The meeting was called to order at 1:40pm by Bob Brassell.  
The minutes from May's meeting were read and accepted.  
The treasury report was read and also accepted.

Committee report: We bought a new lawn mower, as the old one was no longer functioning. It cost around \$1100.00 With the new mower came an extended warrant, and pick up service is available if we ever need repairs or service. As far as the old lawn mower is concerned, we might try to fix it for a spare, or sell it.

Cheri Crawford will be mowing the field, usually on Friday Mornings, weather permitting, and as needed. Please note that field mowing does have priority over flying. So if you see Cheri mowing, wait until she is done to unpack your gear.

A motion was made for the club to buy the shelter, motion accepted. The shelter will bring our balance down to about nothing, outside of the reserve fund for next year.

The Fly in came and went on the 20th, pretty good turn out there.

The August Model Mania show will be held on August 15, 2004. This is the weekend after the Osh Kosh show.

We had a new Flag Donated to the field-Thank you! There will be a new Windssock soon.

No new members were at the meeting.

The Broken Prop Award went to Dean Kepler, for his helicopter exploits in May, and for later in the afternoon of June 6th.

One of the Bill's made up new frequency pins-Thank you!

The Black Swamp Club is having an event in July, I believe the 5th, I will e-mail confirmation to Bill Ritchie for the web site.

The raffle was won by Jacque Weiss-Congratulations!

The meeting ended at 2:24pm
