The November meeting was call to order by President Bob Brassell, at 1:33pm on November 7, 2004.

Tony Oravec read the treasury report. Mark Sisley read the minutes from the October meeting, as the Secretary Amanda Davis had no voice. Both reports were accepted.

Field safety: Everything is status quo.

Membership is at 134, and renewals are now being accepted.

Old Business: Bob Brassell is resigning, we need a new President. He and his wife Carol are expecting a new baby in March, so Bob will not have the time required to perform duties as President. Tony Oravec accepted another 2 years as being Treasurer. John Fischer accepted nominations to be President. Thank you, John.

The field needs to be mowed. Request will made to Cheri Crawford to continue until November's end. We will have John Halfhill take the mower home for an end of the year cleaning. The mower will then be stored in the field's shed.

Cheri has her horses at the field now, please try not to spook them. Also, she rides them on the weekends, so use extra caution when driving up to the field.

Thank you to Steve Petranyi, for buying the old mower for \$100.00, and for cleaning up all the junk by the shed.

The transmitter for the club trainer is missing. If anyone has any information, please contact one of the club officers, or return it. It is on frequency #51, and was last saw at Model Mania.

New Business: John Fischer accepted nominations to be President. Thank you, John. At the December meeting we will pay the field lease for the coming year. Our lease is up in 2008. The December meeting we will swear in the new President, and have our Holiday party. We had a nomination to spend the balance of funds for the Party, and it was accepted.

The Sign in Raffle was won by Dave, his prize was a gallon of fuel. Tony Oravec won the regular raffle, and he took home a Kadet Seniorita kit.

The meeting was adjourned at 2:02pm
