Volume 32 Number 3

March 2005

It is Committee sign up time. We need people for the Audit Committee (2-4 people), who would be responsible for a quarterly report verify the treasurer's report.

The Public Relations Committee needs about 6-8 people to set up newspaper articles, radio spots, and hopefully local TV news coverage of upcoming events and maybe reporting on them also. The would also be in charge of contacting other clubs to join our events, setting up community days. Community days for example are display booths at the mall, or at the Fun Fly the college hosts. The Events staff will need the most people. One or Two to start it off with them being able to ask for volunteers and get them, or they will have the ability to chose from the entire membership list. The same 3-6 people should not have to keep donating their time and money and effort to a club that has over 100 members. It is not fair to any one. Events staff will set up for all events, coordinate food donations and run the food tent, raffle, parking. They will work with the Public Relations crew to insure everything runs smoothly. They will also contribute to the annual calendar of events planning. There will be more info on this Committee at the March meeting.

There last Committee is Field Maintance. These people will enjoy mowing the field, planting flowers, deciding what improvements

need to be done (i.e. the frequency board, gravel in the parking lot, etc..) and carrying them out. They will also be the clean up crew after events. We have had 1(ONE) volunteer for this committee, we need at least 4 more. We will assign people if need be.

Club officers should not be forced into volunteering. There are enough people in the club. The same handful should not feel obligated to always do everything.

The March meeting is Sunday, March 2, 2005. It begins at 1:30pm at the Nordson Depot in Amherst. Plan on attending.

- *Minutes*
- *Financial Report*

Financial Report

Beginning Balance	\$1831.87
Less Expenses	\$0.00
Total Expenses	\$0.00
Plus Receipts	\$0.00
Total Receipts	\$0.00
Gross Balance	\$1831.87
Less Reserves	
• Field Rent 2006	\$2084.00
• Insurance, AMA Charter Fees	\$190.00
• Port a Pottie	\$520.00
• Field Maintance: mowing, etc...	\$1800.00
Total Reserves	\$4594.00
Net Operating Funds	-\$2762.13

The meeting was called to order on February 13, 2005 at 1:30pm by President John Fischer. The Vice President Mark Sisley read the minutes.

Tony Oravec, Treasurer, gave his report. Both the minutes and treasury report were accepted. Bill Tracy gave us an update on the barricades. We need new ones. The PVC piping of the old ones were not designed for long term sun use. There were 2 suggestions. One was for galvanized steel, the other a fiberglass/resin pipe used in factories for hand rails and other high use areas. Both will be presented to the club at the March meeting.

Membership is at 89 from the 136 of last year. Yvette Calvert has \$4020.00 to turn in.

Old Business: We need committee members NOW. Mark Sisley has volunteered for the Public relations committee, and Robert Slivka will be a part of Field Maintenance.

New Business: Outstanding Achievement Award will go to Bob Brassell!!! A motion to spend the money to get the plaque engraved was made and passed.

Bryan Buganski will be taking over the Raffle!! Thank You very much!

Fast Eddie still has the Broken Prop Award. Way to go Fast Eddie!

We need to set up dates for Air Races, Model Mania, and whatever else we will be doing this year.

Calendar Of Events: May meeting will be the last one at Nordson Depot, followed by Field Clean Up. If the weather is not permitting the day of the meeting, we will do it the following Sunday.

The Westlake RC Club has invited us to their August 7th Fly in. More Information will come on the type of fly in.

Lawn Mower update: John Halfhill will be taking it to Igy's for repair and Maintenance. We had an offer for a new Industrial acreage mower for \$1200.00. No decision was made on a new mower at this time.

The meeting ended at 2:19pm.
